**Andrews Federal Credit Union Celebrates
America Saves Week**

Suitland, MD (March 17, 2009) – Andrews Federal Credit Union celebrated America Saves Week from February 22nd – March 1st at its six stateside branches. Andrews Federal created its own saves program calling it “AndrewSaves. The campaign supported the national America Saves initiative as well as the Maryland Saves, DC Saves, and New Jersey Saves campaigns, which also ran during the same week. America Saves Week is an annual campaign whose purpose is to encourage consumers to save, build wealth, and reduce debt.

Andrews Federal handed out daily financial tips during the week to members visiting branch locations. Andrews Federal employees also received these daily tips and were encouraged to share their own saving tips.

On Saturday, February 28, 2009, Andrews Federal hosted “It’s Your Money: Take Charge!” seminars on budgeting and credit at its Wrightstown, NJ and Suitland, MD branches. Members learned the importance of creating a spending plan, saving regularly, and improving their credit scores. Andrews Federal also offered participants a chance to get started on the road to wealth-building by encouraging seminar attendees to open a “First Step” Share Certificate. Each attendee received an “AndrewSaves” coupon, which matched the member’s opening deposit up to \$25.

“This was a great opportunity for us to help our members start saving money for their financial goals,” stated Suzanne Curren, Andrews Federal Director of Public Relations and Community Development. “We received a lot of positive comments about the seminars we provided in New Jersey and Maryland.”
