Andrews Federal Credit Union Awards Grand Prize in Auto Sweepstakes

Suitland, MD (October 16, 2009) – Andrews Federal Credit Union awarded Kelly Edwards of Washington, D.C., the grand prize in its Auto Acceleration Sweepstakes. Members who financed or refinanced a new or pre-owned vehicle from May 1st to August 31st were automatically entered into the sweepstakes. The grand prize winner received a \$500 gas card and a chance to win \$25,000.

Mr. Edwards came very close to winning the cash. To win the \$25,000 top prize, he had to match the contents of 2 envelopes out of 15.

“This was an exciting program that really caught the attention of our members,” says Janine Roberts, Vice President of Marketing. “The program was a win-win for our members because they got a great auto loan rate from Andrews Federal in addition to having the chance to win \$25,000.”
