## Andrews Federal Credit Union Gives Holiday “Thank You” to Service Members and Families

**Suitland, MD (December 1, 2008)** – Andrews Federal Credit Union (Andrews Federal) and the Armed Forces Financial Network (AFFN) joined together to present \$3,000 in gift cards to service members and their families at the Andrews AFB Fisher House. Fisher Houses are located on military installations nationwide. The Andrews AFB Fisher House is a place for families and patients to live while receiving medical treatment at the Malcolm Grow Medical Center.

Andrews Federal then matched this donation with an additional \$3,000 in Visa® gift cards. The cards were presented to Janet Grampp, Fisher House Manager, to be distributed to families during the holidays to help defray personal expenses.

“We wanted to show our appreciation for our service members and recognize the sacrifices they have made for our country,” says Chris MacDonald, Andrews Federal President & CEO. “We thought the gift cards would provide a little holiday cheer and augment the outstanding services provided by the Andrews AFB Fisher House.”
