Andrews Federal Credit Union Serves as Sponsor for Community Opportunities Fair

Suitland, MD (November 26, 2008) – On November 19, 2008, Andrews Federal Credit Union co-sponsored the Community Opportunities Fair at THEARC of DC, 1901 Mississippi Avenue, SE, Washington, D.C. Andrews Federal provided financial literacy workshops on budgeting, credit, and identity theft and offered credit union membership to residents in the Washington, DC community.

The event, held in the gym of the Boys & Girls Club at THEARC, attracted over 200 participants. All guests were treated to a catered lunch, door prizes, and gifts as they went to each vendor's table and learned about job opportunities, training and other services available to them as D.C. residents.

"We enjoy being a part of the community and partnering with other organizations that have a lot to offer the residents," says Tameyka Whitney, Andrews Federal Business Development Officer. "We especially like bringing people workshops on financial topics and the chance to become members of Andrews Federal."
