Andrews Federal Credit Union Sponsors Holiday Greetings from Overseas

Suitland, MD (January 26, 2009) – Andrews Federal Credit Union partnered with the Washington, DC television station, WJLA-TV/ABC 7, to provide deployed service members a way to send holiday greetings to family members in the United States.

Two thirty-second television spots ran from December 19, 2008 through January 2, 2009 during the commercial segments of "Good Morning America," "Good Morning Washington," the nightly news, and other holiday programming. Over 250,000 service members were deployed overseas during the holiday season.

"Andrews Federal is happy to have been able to provide our service men and women the opportunity to connect with family members in our local area over the holidays," says Janine Roberts, Andrews Federal Vice President of Marketing. "We can't thank our troops enough for the sacrifices they make for our safety and freedom every day."
