Andrews Federal Credit Union's 2009 Scholarship Program Begins

Suitland, MD (January 21, 2009) – On January 5, 2009, Andrews Federal Credit Union began accepting applications for its annual scholarship program. Andrews Federal will award \$2,500.00 scholarships to six (6) student members. Winners will be determined based on community involvement, recommendations, and the composition of an essay answering a question about the importance of the credit union difference in the current U.S. economy.

Eligibility is open to students who are Andrews Federal members or to dependents of parents/guardians who are members as of January 1, 2009. Applicants must be 16 years of age or older and be accepted to or a student of an accredited college or university.

Completed applications must be at our U.S. Headquarters by March 13, 2009 to be considered. Winners will be announced in late April.

"In these current economic times, we are happy that we can provide our student members with financial assistance to further their studies," stated Chris McDonald, President and CEO of Andrews Federal Credit Union. "We look forward to reviewing the applications and reading the essays."
