1. To avoid this fee, you can view your transaction history, check clearing history and/or current balance in our Mobile App, Digital Banking, or use our automated phone service.
2. Possibilities Checking fee waived with average monthly balance of \$100; Partnership Checking fee waived with average monthly balance of \$5,000.
3. Possibilities Checking fee when you exceed 250 combined transactions per month; Partnership Checking fee when you exceed 500 combined transactions per month. (Fee is per transaction above the monthly combined transaction limit. "Combined Transactions" is the total number of deposits and withdrawals to your checking account in a month, including teller transactions, deposits, draft clearings, ACH transactions, wires, account transfers, check withdrawals, etc.).
4. Charge is for each time a check, ACH, or debit transfer request and any other type of item is presented or payment is otherwise requested against insufficient/uncollected funds and the item is returned unpaid. Items may be presented for payment multiple times by the depositing institution.
5. This fee is charged by the credit union when you use a Non-Andrews Federal and/or Non-CO-OP ATM machine. The ATM machine owner/operator may charge additional fees. These additional fees are not associated with, or controlled by, Andrews Federal, and are charged at the owner/operator's discretion.
6. To avoid these fees, you can 1) Set up an automated payment by Direct Deposit, or 2) Schedule a monthly payment through Bill Pay, a service accessed through Digital Banking, or 3) Set up a recurring ACH by contacting the credit union.
