

# 2022 ANNUAL REPORT

# A MESSAGE FROM OUR CHAIRMAN

On behalf of the Board of Directors, I want to thank our members, employees, and fellow volunteers for another strong year at Andrews Federal Credit Union in 2022.

Our credit union continued to grow over the past year, welcoming new members and increasing total assets to more than \$2.5 billion. We were able to attain this remarkable achievement during a time of global economic uncertainty because we were strong, resilient, and prepared. Our credit union was built on a solid foundation, and the leadership team remains focused on ensuring we have the strategic foresight, people, resources, and technology required to maintain stability in the larger financial market.

I am truly grateful for the people who make Andrews Federal the successful financial institution it is today.

Most of all, we appreciate you. Our credit union is a strong and secure institution because we have a leadership team focused on making strategic management decisions for the long-term benefit of our credit union and our members. We take our responsibility to you very seriously and appreciate that you trust us with your financial well-being for your homes, cars, families, and future.

We appreciate the hard work of our employees and know they are the heart and soul of Andrews Federal. During the past year, I had the opportunity to visit locations throughout our branch network, both stateside and overseas. I met a diverse, welcoming group of employees who are passionate and committed towards providing you world-class member service. I was honored to hear their stories regarding the pride they take in supporting our members and communities they serve.

We appreciate the commitment of our team of invaluable board and committee volunteers. Our talented professionals bring their distinct backgrounds credentials, and experience in the military and corporate sectors to benefit our credit union.

Looking forward, we remain committed to being your financial institution of choice...anytime, anywhere!

Sincerely,
